

SAMPLE CAP MONTH PROCLAMATION

Whereas, preventing child abuse and neglect is a community problem that depends on involvement among people throughout the community;

Whereas, child maltreatment occurs when people find themselves in stressful situations, without community resources, and don't know how to cope;

Whereas, the majority of child abuse cases stem from situations and conditions that are preventable in an engaged and supportive community.

Whereas, child abuse and neglect can be reduced by making sure each family has the support they need to raise their children in a healthy environment;

Whereas, child abuse and neglect not only directly harm children, but also increase the likelihood of criminal behavior, substance abuse, health problems such as heart disease and obesity, and risky behavior such as smoking;

Whereas, all citizens should become involved in supporting families in raising their children in a safe, nurturing environment;

Whereas, effective child abuse prevention programs succeed because of partnerships created among social service agencies, schools, faith communities, civic organizations, law enforcement agencies, and the business community;

Therefore, I do hereby proclaim

April as Child Abuse Prevention Month in and call upon all citizens, community agencies, faith groups, medical facilities, and businesses to increase their participation in our efforts to support families, thereby preventing child abuse and strengthening the communities in which we live.
